

Become a Sponsor of Ironmen Lacrosse

The IRONMEN Lacrosse team is a non-profit Sports Club for high school boys in the Cypress-Fairbanks Area who desire to play lacrosse. Lacrosse is the fastest growing sport in the U.S., Beginning about a decade ago in Cy-Fair! The club-level team receives no monetary support from the Cy-Fair School District, and so it is only through our generous community's support that lacrosse can thrive. The team's practices begin in September, and this support enables them to attend tournaments across Texas. The Ironmen are three time South Texas District champions, have made four appearances at the Texas State Playoffs earning two second place finishes and the Texas State title in 2007.

The IRONMEN currently operate with a Booster Club of Officers and as well as many other parent volunteers. All funds collected are tax deductible (we are a 501-(c) (3) charitable organization) and go directly to team costs & expenses, which include equipment, insurance, tournament fees, a modest stipend for the coach, field use fees, referee fees, supplies, goals and player awards/recognition. As a club sport we are not supported or funded by the school district.

Please take this opportunity to support the youth of our community in a challenging sport that can give these young men a lifetime of enjoyment. Your level of sponsorship will be reflected on our website and in a program available at all home games.

We welcome support from individuals, organizations, institutions, and businesses who want to help us keep lacrosse thriving in the Cy-Fair area!

Join us! Become a ***Sponsor of Ironmen Lacrosse*** today!
